

WELCOME

GENESIS PREPARATORY SCHOOL A MEMBER OF SCHILLER INTERNATIONAL SCHOOLS

Dear Prospective Student:

Genesis Preparatory School, a Member of Schiller International Schools, offers international students an excellent education in an American college preparatory high school. Students from around the globe have benefitted from an American education at GPS, and have also enjoyed staying with host families and experiencing everyday life in America.

As the Director of International Studies and Deputy Campus Director of Genesis Preparatory School (grades 6-12), a member of Schiller International Schools I invite you to take a closer look at the wonderful opportunities we offer to students to gain a superb education and a great cultural experience in the beautiful state of Florida. We offer international students an opportunity to come to the United States and benefit from an authentic American high school experience while studying toward their high school diplomas. Genesis Preparatory School is a first-rate college preparatory school offering a wide range of regular and advanced courses for students who wish to be accepted into the college or university of their choice. In addition to our academic program, we offer a vast array of extracurricular activities ranging from volleyball, golf, tennis, cheerleading and soccer, to theater, dance and a bell choir.

Our accommodations fee includes a home stay with a host American family. Our "home stay parents" are mainly faculty members, staff, or parents of Genesis students, who deeply care about the academic and social success of their young guests. In this way, students can become fully immersed in American culture and the American way of life.

As international students, most of you will be in the upper grades and will join your American counterparts in sophomore, junior, and senior classes. You will experience the American lifestyle with your new friends, and you will impart your culture to them in a mutually rewarding and beneficial cross-cultural exchange.

Genesis is located in the quaint, lovely but bustling city of New Port Richey and is centrally located on the Florida "Sun Coast," close to beautiful beaches, famous theme parks, museums, and professional sports venues. Tampa Bay features the cities of Tampa and St. Petersburg and is served by Tampa International Airport.

Genesis Preparatory School prides itself on its success in placing international students into excellent universities, colleges, and community colleges. We are particularly proud of our new partnership with one of the top research institutions in America, the University of South Florida, which is located in nearby Tampa, Florida. The innovative Pathway program at INTO University of South Florida is one of only two such programs in the United States.

Our academic programs yield a 100% college acceptance rate, and over 90% of our graduates receive scholarships! We are accredited by the prestigious Southern Association of Colleges and Schools (SACS), the Florida Council of Independent Schools (FCIS), and by the National Independent Private Schools Association (NIPSA). You can expect one of the finest college preparatory experiences available anywhere in America in an atmosphere that fully respects and celebrates the diversity you, as international students, bring to Genesis.

ESOL classes are part of the curriculum, and we help students to prepare for the TOEFL, SAT, and ACT. Our teachers are very supportive of our international students for whom English is not a first language.

Genesis Preparatory School is situated on 14 wooded and beautifully landscaped acres, and features nine buildings, including a wonderful "gymnasium," a library, computer lab, and many modern amenities which enhance the fine academic and arts programs offered at the school. The quaint and lovely Main Street of New Port Richey is a charming slice of Americana, a quintessential Main Street USA, and it is only a 5-minute drive from campus! Also minutes from our secluded, rustic campus is the bustling U.S. 19 with its myriad of retail icons, malls, and restaurants.

Under the leadership of the distinguished American educator, Mr. Douglas Eveleth, and inspired by the memory of Dr. Walter Leibrecht, GPS is American education at its best. Come join our international family of students and become part of a great school- Genesis Prep- your American school; your American experience!

PROGRAMS

GENESIS PREPARATORY SCHOOL
A MEMBER OF SCHILLER INTERNATIONAL SCHOOLS

The Academic Program: A Closer Look

The school provides young people with a broad view of the world and of their place in it as active and thoughtful citizens. Students are encouraged to explore many avenues of learning as they receive a solid preparation for the collegiate path they will choose. Genesis students go on to some of the finest universities in America and abroad.

A FLEXIBLE CURRICULUM

The Genesis Curriculum is designed to provide students with solid academic training in the liberal arts, sciences, mathematics, social science, computer science, and the performance arts, while providing flexibility for the individual needs of each student. Courses are scheduled on grade levels; students may also enroll in courses outside their grade level depending on the student's individual needs and ability.

Qualified upper school students may attend classes at nearby colleges and universities at no additional cost. Upon the successful completion of the high school degree, international students are granted admission into Schiller International University and may qualify for partial scholarships.

At Genesis, learners may also work with faculty members to develop particular courses of individual independent study. Courses are designed to lead students in mastering the essential knowledge of a subject and the skill set accompanying that course in order to prepare for a high school diploma and university entry.

SPORTS AND HEALTH EDUCATION

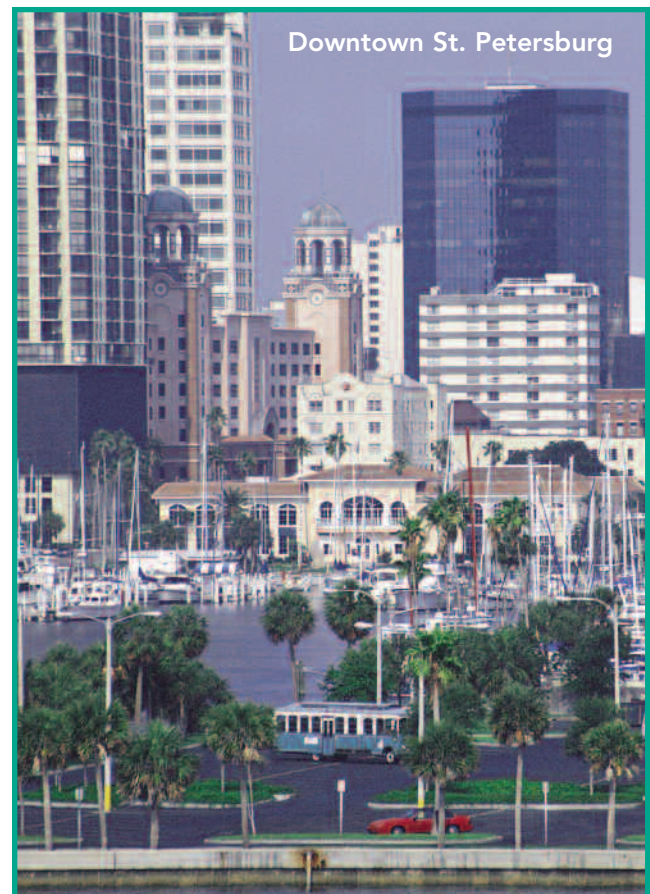

Our sports facilities include two tennis courts, a soccer/American football field, and a gymnasium for basketball and volleyball. We encourage our students to participate in sports and to try out for our highly competitive teams in a variety of sports, including American six man football, soccer, basketball, volleyball, golf, cross-country, and tennis. Many of our international students have "made the team" and you can too!

CULTURAL ENRICHMENT PROGRAM

There are many educational, culturally enriching, and fun field trips and activities scheduled throughout the year at Genesis. Home stay guests also enjoy the hospitality of their host families and engage in a wide variety of family activities in the evenings as well as on weekends.

Students learn and practice their English language skills in real-world as well as in academic settings, thus enhancing the opportunity to really master the language. We offer a window on America, as you provide us with a window on the world.

WE ARE AN OFFICIAL TOEFL iBT TEST SITE.

STUDENT LIFE

GENESIS PREPARATORY SCHOOL

A MEMBER OF SCHILLER INTERNATIONAL SCHOOLS

GENESIS PREPARATORY SCHOOL is located on the west coast of Florida in New Port Richey, just north of the cities of St. Petersburg and Clearwater and northwest of Tampa. The area enjoys easy access to many of Florida's finest beaches, parks and attractions as well as cultural facilities. The school is a one-hour drive from Tampa International Airport.

Activities include athletics, musical performance, drama, art classes, and field trips designed to enhance the

curriculum. Genesis encourages students to get involved in school activities. Through participation, students develop a sense of community and learn valuable skills in leadership and cooperation.

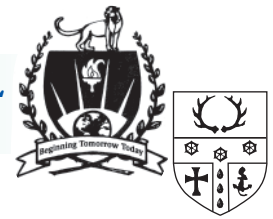

Two major cultural excursions which combine education and fun will be offered during the academic year. We also offer frequent afterschool activities, including movies, bowling, and shopping trips.

TUITION & FEES

GENESIS PREPARATORY SCHOOL
A MEMBER OF SCHILLER INTERNATIONAL SCHOOLS

2010–2011 Tuition and Fees

This is a statement of your costs for the academic year 2009-2010, starting on August 19, 2010 and ending on May 28, 2011 at Genesis Preparatory School.

Application fee	\$60.00
After admission, the following fees apply.	
Tuition per academic year	\$13,200.00
School Publications	\$60.00
Activities Fee	\$620.00
Computer Fee	\$160.00
Liability Deposit (refundable at the end of the year)	\$250.00
Text Books	\$700.00
Airport Transfer Fee (Arrival & Departure)	\$60.00

2010–2011 Residential Fees

Home stay (Full Room and Board)	\$9,000.00
Total for tuition and residential fees:	\$24,110.00

Additional Costs (if applicable)

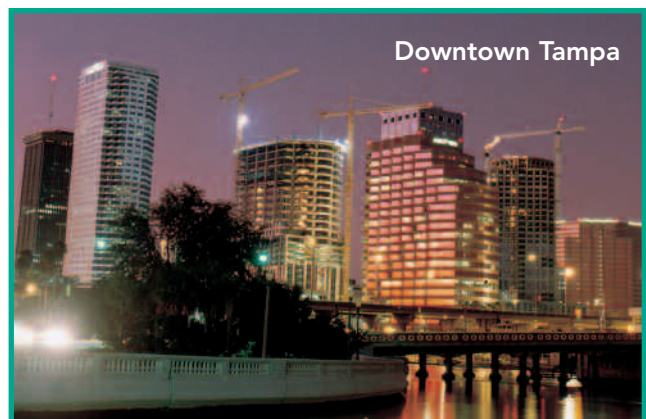

- Health Insurance: All students are required to have medical insurance for the United States. If they do not have this coverage through their parents, they must purchase a medical policy upon arrival at the School at approximately 60.00 per month. Dental insurance is not available.
- SAT and TOEFL College Admissions Testing.

Payments

Payments may be made at the beginning of each semester (half of the yearly fee in August and half in January). Payments may be made by credit card or electronic transfer of funds. (See application for admission.) Individual financial plans can also be arranged between August – May.

For payment by credit card you may contact our Bursar, Andrea Thompson, via e-mail at athompson@genesisprep.com or by phone at 727-846-8407 ext.233.

Please visit us at www.genesisprep.com to learn more about our great school and its programs.

A minimum of 24 academic credits, including transfer credits, is required for the diploma. Diploma students must complete a course in U.S. History and remain enrolled at the School for at least one year. Students may also enroll for a semester or a year and return to their original school to complete their studies for a diploma from the original school.

Course Requirements By Credits:

English	4	English as a foreign language counts
Foreign Language	2	Spanish or French (Requirement waived for those with mother tongues other than English)
Social Studies	3	U.S. History required
Science	3	Biology with laboratory required
Health & Physical Education	2	
Mathematics	3	Algebra II required
Creative Arts	2	
Computers	1	
Electives	4	Students may choose more electives depending on transfer credits or credits waived.
Total	24	

*All students are required to take at least 6 classes each semester. In order to qualify for a Genesis diploma, students must, at a minimum, complete their senior year (two semesters) at GPS.

We prepare students for the future by offering college preparatory courses in the arts, humanities, sciences, and mathematics. We offer international students an opportunity to earn an American high school diploma. SAT preparation is part of our curriculum for 11th and 12th graders.

All students are required to take at least 6 classes each semester. The high school diploma requires four years of study, including any transfer credits from previous years. Most students graduate with more than the minimum of 24 credits over 4 years.

Regular high school courses are generally set by grade level. In addition to the regular college preparatory classes, GPS offers Honors and Advanced Placement classes for students. Also, Upper School students may earn college credits while attending GPS through the Dual Enrollment opportunities available for students.

Mandatory Attendance: 170 school days

Students who have more than 10 unexcused absences in a semester may face loss of credit for a course or for all courses where absences occur. Do not plan travel while school is in session (see Calendar).

SAMPLE COURSES AVAILABLE AT GENESIS PREPARATORY SCHOOL

Courses generally set by grade level:

9th Grade

English

Spanish I - IV
Philosophy

HOW TO APPLY

GENESIS PREPARATORY SCHOOL

A MEMBER OF SCHILLER INTERNATIONAL SCHOOLS

Thank you for your interest in Genesis Preparatory School/Schiller International Schools.

In order to complete the application process, you will need the required documents and items for application:

- Official transcripts with translation
- A completed application form with \$60 fee
- A copy of passport including family page with translation
- A copy of mother's passport including family page with translation (if available)
- \$300 tuition deposit
- \$300 accommodation deposit (if accommodation required)
- \$70 Express Mail fee for your I-20
- A copy of the bank statement showing that you have sufficient funds for studying in the USA
- A signed Statement of Financial Support
- A copy of student's birth certificate with translation
- A proof of vaccination for measles
- A medical liability waiver signed by your parents/guardians
- Proof of medical insurance
- Proof of recent medical examination
- Indication of level of English proficiency

After we have received your complete application package (as listed above), our Admissions Committee will review your application as detailed in the Admissions section of this application. Upon acceptance, we will issue your I-20 and send it, along with your Letter of Acceptance, for you to take to your local Embassy where you will apply for your Student Visa. Please carefully review your entire application package before submitting it; any missing or incomplete information will delay the Admissions Committee in reviewing your application.

For payment by credit card, you may contact our Bursar, Andrea Thompson,

via email at athompson@genesisprep.com or by phone at (727) 846- 8407 ext. 233.

Please contact Ms. Thompson or Mr. Chapman directly for our bank information for money transfer.

Unless you are planning to live with an adult relative, a home stay will be arranged for you through Genesis Preparatory School.

Fees may be paid per semester. In the unlikely event that you are denied an F1 Student Visa, your deposit, minus the Express Mail fee, will be refunded. We require a proof of denial of the visa in order to affect the refund.

Upon the receipt of the deposit and documents listed above, we will mail your I-20 document via Express Mail, which takes three to five business days.

You may fax the documents we require and mail the originals separately if you wish. This will help speed up the process of applying for a Student Visa.

Do not hesitate to contact me if you have any further questions.

Sincerely,
David H. Chapman
Director of International Studies

New Port Richey, FL 34653 USA

ADMISSIONS FOR INTERNATIONAL STUDENTS

All inquiries to Genesis Preparatory School from international students are referred initially to the Director of International Studies. When contact is made through a phone call or email, the applicant is referred to the school's website for more detailed information about the school. Under the link for International Student under the Admissions file on the website, a complete list is shown of materials and documents which must be submitted to the school in order to begin the application process. Each applicant must provide the following: official transcripts with translation, completed application form with fee, copy of passport, tuition deposit, accommodation deposit, DHL fee, copy of a bank statement showing sufficient funds for study in the USA, signed Statement of Financial Support, proof of vaccination for measles, medical liability waiver signed by parent/guardian, proof of medical insurance, and proof of recent medical examination. The applicant must also submit a written statement that the student and his or her parents/guardians understand the school's mission and expectations for academic study. Only students who are committed to attending college or university following graduation are admitted to the school.

Once the application and all other materials and documents have been submitted to GPS, the Director of International Studies then presents these materials to the Admissions Committee of the school. The Admissions Committee is comprised of five members: the Head of School, the Campus Director, the Director of International Studies, the College Counselor, and the Upper School

Principal. This committee carefully reviews each application by evaluating the student's original transcripts which describe coursework completed and grades awarded in each class. These transcripts must be translated so that the committee may determine the content of each course and the student's level of proficiency. In addition, standardized test scores, teacher remarks, and recommendations are used to evaluate the student's past academic performance.

If the Admissions Committee determines that the applicant meets the academic requirements for admission, and after all necessary documentation has been submitted to the school, the student takes a comprehensive placement test in English proficiency and mathematics during the first week of classes. Using the test results and in conjunction with the student's past academic coursework, the Admissions Committee and classroom teachers determine the course of study which will best meet the student's needs. Students with English proficiency are placed in the college preparatory classes. Those with limited English proficiency are placed in ESOL classes. All ESOL classes are designed to accelerate the achievement of English skills, and all provide comprehensive content instruction in mathematics, science, social studies, and English. When the student has achieved the necessary English proficiency to be successful in the college preparatory classes, he or she is moved to those classes. This evaluation process is ongoing.

In the admissions process, consideration of applicants is given equally, regardless of race, gender, creed, and national or ethnic origin. Students from all over the world are welcomed and are fully integrated into the Genesis family.

DRUG-FREE SCHOOLS AND COMMUNITIES ACT AMENDMENTS OF 1989 NOTICE TO STUDENTS

(1) Genesis Preparatory School has a policy of maintaining a drug-free campus. All students are hereby notified that the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on the Genesis Preparatory School campus. The campus for Schiller International University is defined in paragraph 2 below.

(2) In compliance with the Drug-free Schools and Communities Act Amendments of 1989, the Genesis Preparatory School consists of the following locations:

Genesis Preparatory School, consisting of all administrative offices, all onsite and off-site classrooms, common areas, the store room, stairwells, student and staff lounges, closets, hallways, dormitory rooms, offices, all restrooms, and the parking lot areas.

(3) Non-compliance with the terms in paragraph 1 above may result in the following action being taken by Genesis Preparatory School:

- Notify local law enforcement agency.
- Recommend drug rehabilitation.
- Loss of financial aid.
- Dismissal of student.

(4) All students must read, understand, and sign the following statement:

I understand that, as a condition of my enrolment at Genesis Preparatory School, I must abide by the terms of paragraph 1 above.

I must notify the administration of any criminal drug statute conviction for a violation occurring on the campus no later than five days after the conviction.

I understand that Genesis Preparatory School has established a drug-free awareness program to inform students about:

- a. The dangers of drug abuse.
- b. Genesis Preparatory School's policy of maintaining a drug free school.
- c. Any available drug counseling, rehabilitation, and student assistance programs; and
- d. The penalties that may be imposed upon students for drug abuse violations occurring on the campus. (See paragraph 3 above).

I have received this information and understand the conditions explained in paragraph 4 above, and I have received a copy of this statement.
