

Genesis Preparatory School Homestay Program

Dear Parents and Students,

Well, it's been a great year, and as our number of international students grows, we would like to encourage all members of the Genesis community- parents, staff, and friends- to consider hosting international students, several of whom will be arriving this summer before the start of the Fall 2008 semester. Our homestay families and their guests have truly enjoyed this unique cross-cultural opportunity, and we are looking forward to welcoming more families to our list of homestay "parents."

You will, of course, have the opportunity to meet and interview your prospective international guest(s), and we will provide all the support possible to help make you and your guest(s) comfortable and the homestay a success.

If you are interested in becoming a host family, kindly fill out the bottom of this form and return it to the school as soon as possible. A generous stipend will be paid to all host families or, if you should wish, this stipend can be directly applied to your student's GPS tuition. More details about the Homestay Program are available upon request.

Sincerely,

Dr. Melissa Nurrenbrock, Head of School
